PROFESSIONAL MANUFACTURER SINCE 2002

Ningbo Shunye Electrical Appliances Co.,Ltd.

COMPANY INTRODUCTION

Ningbo Shunye Electrical Appliance Co., Ltd founded in 2002 is a professional factory dedicated to the design, development and production of car accessories. Products include air compressor, battery charger, vacuum cleaner and tool set. The factory covers an area of 15000 square meters and has more than 200 employees, focusing on producing high-quality products for the automotive supplies industry.

Since Shunye was established nearly 20 years ago, we have been unwaveringly giving priority to the quality of products. From design and development to production and assembly, every process strives for excellence. We integrate the purpose of "only creating high-quality goods" into every detail of products. While constantly improving the quality, Shunye also pays attention to the innovation. We have an experienced and skilled R&D team and always adhere to the belief of "making products from the perspective of customer consideration". At present, we have passed CE, ROHS, EMARK, ISO9001, BSCI and other international certifications. Our products are exported to more than 30 countries including America, Germany, England, Russia, Dubai and India. We are also important partners of Goodyear, Walmart, Auchan, ADEO and other well-known companies.

The cultivation of talents is attached great importance to Shunye and the concept of "excellent talent and management make an outstanding company" has always been adhered to. The factory has formed a complete talent management system. Both the R&D team and senior management are the top talents with excellent professional level in the industry.

In the future, Shunye will always keep its original intention to make breakthroughs and provide customers with more high-quality products and more accurate services.

■ KEEP IMPROVING, WORK TOGETHER TO CREATE A WIN-WIN SITUATION!
